

## Exercise 8: Best Moment

**Goal:**

**Group Size:**

**Time:**

**Process:**

- Give your team members a few minutes to think about the best moment of their lives. Stress that it could be a professional achievement, an exciting adventure, or a personal breakthrough. Anything goes but let them know that they will be sharing with the rest of the group.
- When everyone has their moment in mind, ask them to narrow it down to the best 30 seconds. Then go around the room and ask each person to describe the moment.
- This leadership activity helps your team get to know one another (and themselves) and encourages bonding as a group.
