

Exercise 18: Dorm Room

1600-1640 Dorm room procedures and explanation

20 minutes of briefing and showing

- Clothes
 - Shirt rolling, pants folding, sock rolling
- Bed making
 - Sheets and bedding
- Shoe display
- Duffle folding
- Volunteers clear other 2 rooms and get them set up
- 2 trainers help volunteers set up for first 20 mins
- Clear chairs, put up walls, set up a couple tables, bring in a rack
- Last segment in wall leave open

20 minutes of practice locked off

- 5 mins of shirts, 5 mins of shorts, 3 mins of socks, 7 mins of bed
- All trainers present
- Each table has 2 pair of socks, 2 shirts, and 2 shorts
- Practice while trainers go around and supervise

1640-1745 Dorm room GLP

1640-1648 brief on how GLP will work

- All clothes need to be folded and rooms need to be standardized
- Must follow flight path
- 5 min time hack
- When you hear "TIME" stop and unfold, unhang everything, put it on the tables. Undo all sheets, put boots on table
- Appoint cadet in charge of GLP (Squadron Commander)
- Make sure to switch cadet in charge or change command

1648-1650 split up squadron into the rooms

- Randomize, not by flight
- Count them off

1650-1745

- Keep swapping leaders and evaluate with LCE

Training comments

- Harp on standardization, communication, delegation, accountability, always calling time hacks, leader assigning positions and remembering who they are, "there are far less items here than at maxwell and you have far more people, how are you going to get it done there if you can't do it here"

Materials:

- Sqd 2 bring: ****Must be clean****
 - 15 PTG shirt 15 PTG short
 - 24 white socks 3 pairs of athletic shoes
